Little League Baseball

Program Organization and Administrative Personnel

The SASA Rec. Baseball Program shall be operated under the direction and supervision of the SASA Directors and their staff, all of whom are employed by SASA. **The final decision(s) on anything covered or not covered in this rule book will be made by the SASA Board of Directors and/or its representatives. Be it understood that by coaching in this program, you accept the purpose, direction and philosophy of the program.**

Purpose

The general purpose of the SASA Rec. Baseball Program is to allow each player to grow within the game through fundamental development, physical fitness, sportsmanship and inspiration.

Philosophy

The established philosophy of the SASA Board of Directors is that all participants enrolled in youth sports have the guaranteed right to play in every game regardless of skill level. However, SASA understands that practice habits, attitude and effort are contributing factors towards playing time.

Sportsmanship

1. Poor sportsmanship and/or foul language will not be tolerated. Any derogatory remarks to officials, opposing coaches, fans, or players can result in suspension from play or forfeiture of the game.
2. Umpires are tasked with keeping the peace to allow the kids to compete in a recreational atmosphere. If you are interfering with this atmosphere the umpire(s), site director or SASA Management will remove you.
3. Any coach/fan/parent ejected from a SASA event (games or practices) must leave SASA property immediately and may not re-enter SASA property for the remainder of the day. Additionally, the ejected coach/fan/parent will not be allowed to attend/participate (suspended) in the next game. Ejected coaches/fans/parents may petition to the SASA Board of Directors through the Grievance Chair to have their suspension nullified.
4. Repeated ejections or acts of poor sportsmanship and/or use of foul language could result in suspension or removal from all SASA programs for the remainder of the calendar year.

8U Coach Pitch Baseball Rules

1. Games can end in a tie; no extra innings will be played.
2. Umpires will keep official game time.
3. A new inning begins as soon as the 3rd out is called on the bottom half of the previous inning.
4. There will be a 10-minute grace period given to a team that is waiting on players to arrive to complete their line-up.
5. Each team must have a minimum of 8 players to start a game.

*First Offense –If it is discovered by the umpire that an illegal bat has been used to put a ball in play, the defensive team (before the next legal pitch) will have the choice to take the result of the batted ball or the batter will be called out and baserunners will return to their position on base before the pitch that was hit.

Uniforms

Color coordinated jerseys with numbers on back are required. Baseball pants or shorts are allowed. Cleats are preferred but not mandatory.

Helmet Rule

Helmets are to stay on at all times while an offensive player (hitter or runner) is outside of his/her respective dugout.

Starting and Ending a Game

1. A flip of a coin between the two teams shall determine the home team.
2. A regulation game consists of five (5) innings unless the game is:
 - a. Shortened because the Mercy Rule.
 - 20 Run differential at any time = Drop dead stoppage regardless of home team.
 - 15 Run differential after 3 completed innings
 - 8 Run differential after 4 completed innings

*In the event of a Mercy Rule game in which players on either team have not yet batted at the time of the Mercy Rule; all game stats are to be recorded at the time of stoppage yet the game will continue as long as there is time left on the game clock or until all players get 1 at bat.
 - b. Shortened because an imposed Time Limit expires; or
 - c. If a game is called due to rain, Weather, light failure or other acts of Nature and cannot be resumed it is a regulation game if two (2) innings have been completed. If 2 innings have not been completed then the game will be resumed from the exact point it was stopped at a later date.
3. Teams must use a continuous line-up, of all registered, uniformed players present and may move freely in defensive positions with the exception of the pitching position. The offensive batting line-up can not change during the course of the game, yet open defensive position substitutions are allowed at any time. Any player(s) arriving after the game has begun, shall be added to the bottom of the batting line-up. If a player has to leave the game for any reason other than a medical issue, that position in the line-up becomes an auto-out when that at bat comes around.
4. Teams may play an official game with an eight (8) player line-up. If a team plays with an eight (8) player line-up, an out shall be declared for the ninth (9th) position in the batting line-up each turn at bat. A ninth (9th) player and all subsequent players may be added to the bottom of the batting line-up as soon as they become available. *If a player is listed on the line-up but not present then an auto out must be taken when their spot of the order is up. Don't list players until they arrive to avoid an auto-out.
5. A team may continue a game with a minimum of eight (8) eligible players.
6. At any time, the offensive team may use a courtesy runner for the catcher of record from the previous inning on defense. The courtesy runner shall be the player making the last batted out or is farthest away from the catchers position in the line-up if no outs have been recorded. The re-entry status of the courtesy runner and catcher shall not be affected by this rule. If at any time, a courtesy runner is determined to be ineligible, a proper replacement pursuant to these rules (if available) shall be used without penalty.
7. **Coaches must throw overhand between the pitching rubber (46ft) and the 30ft safety arc as long as they are in a direct line between Homeplate and the pitching rubber.**
8. When a batted ball hits the adult pitcher while he is attempting to avoid contact the ball is dead, the batter is awarded first (1st) base and all runners shall advance one (1) base. If the adult pitcher does not make an attempt to avoid contact the batter is out and all base runners return to their previously occupied base.
9. The adult pitcher shall be an adult at least eighteen (18) years of age. *Defensive coaches shall not be allowed on the field of play and shall coach from the dugout.

RULE 9 ADDITION. The adult pitcher must leave the field of play once a ball has been hit and they may not return to the field of play until "Time" has been called. This will stop the players from throwing the ball to the adult pitcher before time has been called and also ensure the adult pitcher is not in the way of a throw across the diamond.

Example- Typically the adult pitcher will leave the field of play beyond the 1st or 3rd base foul lines (opposite side of where the ball is hit).

10. Ten (10) defensive players shall play in the field with four (4) outfielders. The fourth (4th) outfielder shall not assume an infield position. All outfielders must start each pitch in the outfield grass and may not assume the typical functions of an infielder. Example... Right fielder may not receive throws at 1st base.
11. Safety Arc: There shall be a thirty (30) foot arc drawn from first (1st) baseline to third (3rd) baseline in front of home plate. Infielders must stay behind this line until the ball is hit. In the absence of a painted line all infielders must be positioned no closer than the beginning of the dirt area at the pitchers mound prior to each pitch. This is roughly 30ft in distance.
12. Pitching Circle: There shall be a ten (10) foot diameter circle with the front edge at thirty-seven (41) feet from the rear point of home plate. The player pitcher must have 1 foot within this circle prior to each pitch. In the absence of a painted line player pitchers must be positioned with 1 foot in the dirt area around the pitchers mound prior to each pitch. This is roughly a 10ft circle. The defensive player listed as pitcher shall not leave the pitching circle (or dirt area in absence of painted line) until the ball is hit. *Rule 12 Penalty: The play continues. After the play has ended, the offensive team has the option of taking the result of the play or no-pitch. **Additional Penalty: First Offense: Warning; Second Offense: Removal of player from the pitching position for the remainder of the game.***For safety purposes a player pitcher may choose to play outside of the painted circle as long as they are directly in back of the circle or pitcher's mound.
13. Once a pitch has been hit the batter (now a runner) may advance around the bases until stopped by defense. Once stopped on the bases and time is called all base runners may only advance once a pitch has been hit.
Example...A batter/runner may advance all the way home on a swinging bunt and 9 overthrows.
Example...A batter/runner that is stopped at 2nd may only advance by a hit pitch.
14. Umpires shall call "Time" when the **LEAD** runner is no longer attempting to advance while the defense (any player) posses the ball on the infield. The player pitcher having possession of the ball within the pitchers circle or dirt mound area has no effect on stopping play. If a defensive player does not posses the ball or is not on the infield "Time" will **NOT** be called irregardless if runners are attempting to advance or not.
*Rule 13 Comment: When a runner stands off a base and "jukes" or "feints" back and forth, this is to be interpreted as "not attempting to advance" and "Time" shall be called.
**Rule 13 Comment: Players should be taught to never throw the ball to the adult pitcher unless time has already been called. This will lead to an errant throw or the adult pitcher not being able to stop the throw and runners advancing. Always end a play by getting the ball back to the player pitcher.
15. The Infield Fly Rule shall not be in effect at any time.
16. **A team may score a maximum of five (5) runs per inning.**
17. The batter shall receive a maximum of six (6) pitches or three (3) swinging strikes. A batter can not end their at bat on a fouled ball that is not caught.
18. **Bunting is not allowed.**
19. **Runners shall not lead-off or steal bases.** A runner is out for leaving the base before the ball is hit.
20. A courtesy runner for catcher of record only the previous inning may be used. The courtesy runner shall be the player that made the previous out. If no outs have been recorded in the game, the courtesy runner shall be the player in the line-up farthest away from the catchers line-up spot.
