Recreational Basketball Program

Program Organization and Administrative Personnel

The SASA Rec. Basketball Program shall be operated under the direction and supervision of the SASA Directors and their staff, all of whom are employed by SASA. **The final decision(s) on anything covered or not covered in this rule book will be made by the SASA Board of Directors and/or its representatives. Be it understood that by coaching in this program, you accept the purpose, direction and philosophy of the program.**

Purpose

The general purpose of the SASA Rec. Basketball Program is to allow each player to grow within the game through fundamental development, physical fitness, sportsmanship and inspiration.

Philosophy

The established philosophy of the SASA Board of Directors is that all participants enrolled in youth sports have the guaranteed right to play in every game regardless of skill level. However, SASA understands that practice habits, attitude and effort are contributing factors towards playing time.

Sportsmanship

1. Poor sportsmanship and/or foul language will not be tolerated. Any derogatory remarks to officials, opposing coaches, fans, or players can result in suspension from play and/or forfeiture of the game.
2. Refs and Site Supervisors are tasked with keeping the peace to allow the kids to compete in a recreational atmosphere. If you are interfering with this atmosphere SASA Staff or SASA Management will remove you.
3. **Any coach/fan/parent ejected from a SASA event (games or practices) must leave SASA property immediately and may not re-enter SASA property for the remainder of the day. Additionally, the ejected coach/fan/parent will not be allowed to attend/participate (is suspended) in the next game. Suspensions will be carried over between sports, seasons, calendar year(s), multiple years. Ejected coaches/fans/parents may petition to the SASA Board of Directors through the Grievance Chair to have their suspension nullified.**
4. Repeated ejections or acts of poor sportsmanship and/or use of foul language could result in suspension or removal from all SASA programs for the remainder of the calendar year.

Coaching Ethics

A basketball coach, by example of his/her behavior, affects many youngsters participating in the SASA Youth Basketball Program. Understanding this, a coach should:

1. Cooperate with officials and treat them with respect.
2. Teach players fundamentals.
3. Teach players sportsmanship.
4. Show respect for officials, opposing players, coaches and fans.
5. Keep winning and losing in its proper perspective. Stress effort rather than winning and losing.
6. Be considerate of player's feelings and exhibit self-control at all times.
7. Make sure that all eligible, registered players participate in each game.
8. Allow the players to have fun.
